WIOA Youth RFP Q&A January 10, 2017

Question: There is a requirement that 20% of the budget be allocated to WEX. With a consortium application, can this 20% requirement be met by having 20% of the overall consortium budget be dedicated to WEX, or will each individual partner budget need to meet that 20% requirement?

Answer: With a consortium application, this 20% requirement should be met by the consortium budget dedicated to the WEX, and not each individual partner budget that comprises the consortium.
