1. Order of Precedence

In the event of any inconsistency between the terms and conditions of this Notice of Award and other requirements, the following order of precedence shall apply:

- I. Workforce Innovation and Opportunity Act;
- II. other applicable Federal statutes;
- III. Department of Labor Appropriations Act, 2019, P.L. 115-245;
- IV. Implementing Regulations;
- V. Executive Orders;
- VI. OMB Circulars, including the Uniform Guidance at 2 CFR 200 and 2900;
- VII. Training and Employment Guidance Letter No. 2-15, *Operational Guidance for National Dislocated Worker Grants*;
- VIII. Training and Employment Guidance Letter No. 4-18, *National Dislocated Worker Grants to Address the Opioid Crisis*
- IX. other applicable DOL-ETA Directives; and,
- X. the terms and conditions of this award.

2. Notice of Award

The funds that are provided under this Notice of Award must be expended according to all applicable Federal statutes, regulations and policies, including those of the Workforce Innovation and Opportunity Act; the applicable approved State WIOA plan including approved modifications and amendments to the plan, and any waiver plan approved under WIOA Sec.

189(i)(3) or Workforce Flexibility (Workflex) plan approved under WIOA Sec. 190; the negotiated performance levels and policies established pursuant to the Secretary's authority under WIOA Section 116; and the applicable provisions in the appropriations act(s).

The funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

3. Funding Opportunity Announcement

Training and Employment Guidance Letter (TEGL) WIOA No. 2-15 transmits the funding opportunity associated with this award. TEGL No. 2-15 and all applicable amendments are hereby incorporated into the Notice of Award. Award recipients are bound by the authorizations, restrictions, and requirements contained in the TEGL. Therefore, the expenditure of grant funds by the award recipient certifies that the recipient has read and will comply with all the parts that are contained in the NOA.

4. Administrative Law Judge Removal of Award (WIOA)

By drawing down funds, your organization as the award recipient agrees to the provisions of 20 CFR 683.820(b)(6), which states:

“Any organization selected and/or funded under WIOA title I, subtitle D, is subject to having its award removed if an ALJ decisions so orders. As part of this process, the Grant Officer will provide instructions on transition and closeout to both the newly selected grantee and to the grantee whose positions is affected or which is being removed.”

5. Federal Project Officer

The DOL/ETA Federal Project Officer (FPO) for this award is:

Name: Jeffrey Patton
Telephone: 415-625-7945
E-mail: patton.jeffrey.d@dol.gov

The FPO is not authorized to change any of the terms or conditions of the award or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification process.

6. Indirect Cost Rate and Cost Allocation Plan

A. A **current** Federally approved Negotiated Indirect Cost Rate Agreement (NICRA) or current Federally approved Cost Allocation Plan (CAP) has been provided – copy attached.

For a NICRA only:

- (1) Indirect Rate approved: 29.7%
- (2) Type of Indirect Cost Rate: Provisional
- (3) Allocation Distribution Base: (see attached)
- (4) Current beginning and ending period applicable to rate: (see attached)

Estimated Indirect Costs are shown on the SF-424A budget form. If a new NICRA is issued during the grant's period of performance, it must be provided to DOL within 30 days of it being issued. Funds may be re-budgeted as necessary between direct and indirect costs as long as it is consistent with 10% Budget Flexibility term within this agreement, grant requirements and DOL regulations on prior approval. However, the total amount of the grant award will not be increased.

Any changes to the budget that impact the Statement of Work and agreed upon outcomes or deliverables will require a request for modification and prior approval from the Grant Officer.

B. (1) Latest NICRA or CAP approved by the Federal Cognizant Agency (FCA) is not current, or

(2) An indirect cost rate proposal or CAP has not been submitted for approval.

URGENT NOTICE: Estimated indirect costs have been specified on the SF-424A, Section B, Object Class Category "j", however only \$ N/A will be released to support the indirect costs in the absence of a NICRA or CAP approved by the cognizant agency. The remaining funds which have been awarded for Indirect Costs are restricted and may not be used for any purpose until the recipient provides a signed copy of the NICRA or CAP and document stating that the restriction is lifted by the Grant Officer. Upon receipt of the NICRA or CAP, the Grant Officer will issue a grant modification to the award to remove the restriction on those funds.

As the award recipient, your organization must submit an indirect cost rate proposal or CAP. These documents should be submitted to the DOL's Division of Cost Determination (DCD) or to the recipient's FCA. In addition, the recipient must notify the Federal Project Officer (FPO) that the documents have been submitted to the appropriate FCA. **If this proposal is not submitted within 90 days of the effective date of the award, no funds will be approved for the reimbursement of indirect costs.** Failure to submit an indirect cost proposal by the above date means the award recipient will not receive further reimbursement for indirect costs until a signed copy of the federally approved NICRA or CAP is provided and the restriction is lifted by the Grant Officer. All indirect costs paid for using grant funds must be returned through the Payment Management System. No indirect costs will be reimbursed without a NICRA or an approved CAP.

The total amount of the DOL's financial obligation under this grant award **will not** be increased in order to reimburse the recipient for higher negotiated indirect costs.

- ___ C. The award recipient elected to exclude indirect costs from the proposed budget. Please be aware that incurred indirect costs (such as top management salaries, financial oversight, human resources, payroll, personnel, auditing costs, accounting and legal, etc. used for the general oversight and administration of the organization) must not be classified as direct costs; these types of costs are indirect costs. Only direct costs, as defined by the applicable cost principles, will be charged. According to 2 CFR 200.412, if indirect costs are misclassified as direct costs, such costs may become disallowed through an audit.

- ___ D. The award recipient has never received a negotiated indirect cost rate and, pursuant to the exceptions noted at 2 CFR 200.414(f) in the Cost Principles of the Uniform Guidance has elected to charge a de minimis rate of 10% of modified total direct costs (see 2 CFR 200.68 for definition of MTDC) which may be used indefinitely. Governmental departments or agencies that receive more than \$35 million in direct Federal Funding must submit an indirect cost rate proposal and cannot request a de minimis rate. This methodology must be used consistently for all Federal awards until such time as you choose to negotiate for an indirect cost rate, which you may apply to do at any time. (See 2 CFR 200.414(f) for more information on use of the de minimis rate.)

If the DOL is your FCA, as a recipient, your organization must work with DOL's DCD, which has delegated authority to negotiate and issue a NICRA or CAP on behalf of the Federal Government. More information about the DOL's DCD is available at <http://www.dol.gov/oasam/boc/dcd/>. This website has guidelines to develop indirect cost rates, links to the applicable cost principles, and contact information. The DCD also has Frequently Asked Questions to provide general information about the indirect cost rate approval process and due dates for provisional and final indirect cost rate proposals at <http://www.dol.gov/oasam/faqs/FAQ-dcd.htm>.

Starting the quarter ending September 30, 2016, all grant recipients with an approved NICRA or de minimis rate must report indirect costs on their **FINAL** ETA-9130 Form. Please see TEGL 2-16 for additional guidance at https://wdr.doleta.gov/directives/attach/TEGL/TEGL_2-16_acc.pdf

7. Approved Statement of Work

The award recipient's project narrative is considered the approved Statement of Work. It has been included as Attachment D. If there is any inconsistency between items specified in the project narrative and the program statute, appropriation, regulations, Executive Orders, Uniform Guidance, OMB Circulars, and DOL-ETA directives, the order of precedence will prevail.

8. Approved Budget

The award recipient's budget documents are attached in this Notice of Award. The documents are: 1) the SF-424, included as Attachment A; 2) the SF-424 A, included as Attachment B; and 3) the Budget Narrative, included as Attachment C. As the award recipient, your organization must confirm that all costs are allowable before creating any expenses. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR 200 or your grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

9. Return of Funds

Effective October 1st, 2017, the U.S. Department of Labor, Employment & Training Administration will no longer be accepting paper checks for any type of returned funds. All return of funds are to be submitted electronically through the Payment Management System (PMS) operated by the U.S. Department of Health and Human Resources via the same method as a drawdown.

If there are questions regarding the return of funds or your organization no longer has access to PMS, contact the U.S. Department of Labor/ETA Office of Financial Administration via email at: ETA-ARteam@dol.gov for further assistance.

10. Evaluation, Data, and Implementation

As the award recipient, your organization must cooperate during the implementation of a third-party evaluation. This means providing DOL or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

11. Resources and Information

Additional resources and information to assist you are located on the ETA website at <https://www.doleta.gov/grants/resources.cfm> and on the Grants Application and Management collection page located on WorkforceGPS.org at <https://grantsapplicationandmanagement.workforcegps.org/>. These sites contains information about the Uniform Guidance, grant terms and conditions, financial reporting, indirect costs, recipient training resources, and other relevant information.

12. Cost Limitation Restrictions

a. Administrative Costs

Administrative costs under this award follow the definition in the Workforce Innovation and Opportunity Act at 20 CFR 683.215. There is a 15 percent limitation on administrative costs for those direct recipients that are not also serving as the project operator. Unless a written justification is approved by the Grant Officer, administrative costs may not exceed this limit. Direct recipients of NDWG funds are limited to spending no more than 5 percent of each amount they are awarded on administrative costs. Sub-recipients are limited to spending no more than 10 percent of the amount of the allocation they receive from the direct recipient on administrative costs. Compliance with the administrative costs limit is monitored throughout the grant period. Any amounts exceeding this limitation at closeout will be disallowed and subject to debt collection. For those direct recipients who are also serving as the project operator, the administrative costs limit is 10 percent of the allocation.

b. Supportive Services

Grantees must not spend more than 20 percent of their DWG award on supportive services for participants. However, grantees may submit a modification request to the Grant Officer seeking pre-approval to spend more than 20 percent of their award on supportive services. The Grant Officer will only approve these requests where the grantee demonstrates: (i) additional supportive services spending is necessary to effectively carry out the employment and training goals of the opioid-crisis Disaster Recovery DWG; (ii) the additional supportive services spending will not be so great that it impedes the availability and effectiveness of employment and training activities provided under the grant; and (iii) this additional spending follows the established local policy on providing supportive services.

c. In-patient Costs

Disaster Recovery DWG funds may not be used to pay the costs of in-patient drug treatment and rehabilitation programs.

d. Budget Flexibility

Federal recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that impact the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the simplified acquisition threshold (currently \$150,000), the transfer of funds among direct cost categories or programs, functions and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget as noted above. It is recommended that your assigned FPO review any within-

line changes to your budget prior to implementation to ensure they do not require a modification. For programs where the Federal share is below the simplified acquisition threshold, recipients are not required to obtain the Grant Officer’s approval when transferring funds among direct cost categories. This includes transferring direct costs to the indirect cost category contained on the SF424 (a).

e. Consultants

For the purposes of this award, the ETA Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to \$710 per day (representing an eight hour work day). Any fees paid in excess of this amount cannot be paid without prior approval from the Grant Officer.

f. Travel

This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.474. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the non-Federal entities written policies and procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

g. Travel – Foreign

Foreign travel is not allowable except with prior written approval. Prior written approval must be obtained from the Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16. All travel, both domestic and Grant Officer-approved foreign travel, must comply with the Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

h. Travel – Mileage Reimbursement Rates

Pursuant to 2 CFR 200.474(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. The 2018 mileage reimbursement rates are:

Modes of Transportation	Effective/Applicability Date	Rate per mile
Privately owned automobile	January 1, 2018	\$0.545
Privately owned motorcycle	January 1, 2018	\$0.515

Mileage rates must be checked annually at www.gsa.gov/mileage to ensure compliance.

i. WIOA Infrastructure

WIOA sec. 121(b)(1)(B) and 20 CFR 678.400 require the following programs to be One-Stop partners: A. WIOA title I programs: Adult, Dislocated Worker, and Youth formula programs; Job Corps; YouthBuild; Native American programs; National Farmworker Jobs Program (NFJP); B. Wagner-Peyser Act Employment Service (ES) program authorized under the Wagner-Peyser Act

(29 U.S.C. 49 et seq.), as amended by WIOA title III; C. Senior Community Service Employment Program (SCSEP) authorized under title V of the Older Americans Act of 1965; D. Trade Adjustment Assistance (TAA) activities authorized under chapter 2 of title II of the Trade Act of 1974; E. Unemployment Compensation (UC) programs; F. Jobs for Veterans State Grants (JVSG) programs authorized under chapter 41 of title 38, U.S.C.; and G. Reentry Employment Opportunities (REO) programs (formerly known as Reintegration of Ex-Offenders Program (RExO) authorized under sec. 212 of the Second Chance Act of 2007 (42 U.S.C. 17532) and WIOA sec. 169.

With the exception of Native American programs established under WIOA sec. 166, all One-Stop partner programs including all programs that are funded under title I of WIOA are required to contribute to the infrastructure costs and certain additional costs of the One-Stop delivery system in proportion to their use and relative benefits received as required in 20 CFR 678.700 and 678.760. While Native American programs are not required to contribute to infrastructure costs per WIOA 121(h)(2)(D)(iv), they are strongly encouraged to contribute as stated in TEGL 17-16. The sharing and allocation of infrastructure costs between One-Stop partners is governed by WIOA sec. 121(h), WIOA's implementing regulations, and the Federal Cost Principles contained in the Uniform Guidance at 2 CFR part 200 and DOL's exceptions at 2 CFR part 2900. The Federal Cost Principles state that a partner's contribution is an allowable, reasonable, necessary, and allocable cost to the program and is consistent with other legal requirements.

13. Administrative Requirements

a. Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this grant. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the signature of the Authorized Representative on the SF-424 certifies that the organization is in compliance with the Assurances and Certifications form SF-424B (available at <http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf>). You do not need to submit the SF-424B form separately.

b. Audits

Organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance which apply to audits for fiscal years beginning on or after December 26, 2014. DOL awards recipients including for-profit and foreign entities that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to include for-profit entities and foreign entities. For-profit and foreign entities that are recipients or subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200.

c. Closeout/Final Year Requirements

At the end of the grant period, the award recipient will be required to close the grant with the ETA. As the award recipient, your organization will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin once the grant ends. The information concerning the recipient's responsibilities at closeout may be found at 2 CFR

200.343. During the closeout process, the grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period (2 CFR 2900.15).

d. Creative Commons Attributions License

As required at 2 CFR 2900.13, any intellectual property developed under a competitive award process must be licensed under a Creative Commons Attribution 4.0 (CC BY) license, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and attribute the work in the manner specified by the recipient. For general information on CC BY, please visit <http://creativecommons.org/licenses/by/4.0>. The Instructions for marking your work with CC BY can be found at http://wiki.creativecommons.org/Marking_your_work_with_a_CC_license.

e. Equipment

Award Recipients must receive **prior approval** from the Grant Officer to purchase any equipment as defined in the Uniform Guidance at 2 CFR 200.33. Equipment purchases must be made in accordance with 2 CFR 200.313 or 2 CFR 200.439.

Being awarded this grant **does not** automatically means you are approved for the equipment specified in a recipient's budget or statement of work unless it is specifically approved by the Grant Officer. If not specified above, the recipient must submit a detailed list describing the purchase to the FPO for review within 90 days of the Notice of Award date. We strongly encourage recipients to submit requests for equipment purchase as early as possible in the grant's period of performance with as many planned pieces of equipment as possible.

Recipients may not purchase equipment in the last funded year of performance which is defined as full program service delivery (not follow up activities), but yet may not be the same as the last twelve months of the period of performance. If any approved acquisition has not occurred prior to the last funded year of performance, approval for that item(s) is rescinded.

f. Federal Funding Accountability and Transparency Act (FFATA)

- Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.
- III. *Earnings for services under non-equity incentive plans.* This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - IV. *Change in pension value.* This is the change in present value of defined benefit and actuarial pension plans.
 - V. *Above-market earnings on deferred compensation which is not tax-qualified.* Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.

g. Intellectual Property Rights

The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the recipient, subrecipient or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Department has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated by selling products developed with grant funds, including intellectual property, these revenues are considered as program income. Therefore, program income must be used in accordance with the provisions of this grant award and 2 CFR 200.307.

If applicable, the following needs to be on all products developed in whole or in part with grant funds:

“This workforce product was funded by a grant awarded by the U.S. Department of Labor’s Employment and Training Administration. The product was created by the recipient and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it.”

h. Personally Identifiable Information

Award recipients must recognize and safeguard personally identifiable information (PII) except where disclosure is allowed by prior written approval of the Grant Officer or by court order. Award recipients must meet the requirements in Training and Employment Guidance letter (TEGL) 39-11, Guidance on the Handling and Protection of Personally Identifiable Information (PII), found at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=7872.

i. Pre-Award

All costs incurred by the award recipient prior to the start date specified in the award issued by the Department are ***incurred at the recipient's own expense.***

j. Procurement

The Uniform Guidance (2 CFR 200.317) require States (as defined at 2 CFR 200.90) to follow the same procurement policies and procedures it uses for non-Federal funds. The state will comply with 200.322 Procurement of recovered *materials* and ensure that every purchase orders or other contract includes any clauses required by section 200.326 Contract provisions. Award recipients must also follow the requirements regarding the competitive award of One-Stop Operators in the Workforce Innovation and Opportunity Act at WIOA Sec. 121(d) and sec. 123.

k. Program Income

The "Addition" method as described in 2 CFR 200.307 must be used in allocating any program income generated for this grant award. Award recipients must expend all program income prior to drawing down additional funds as required at 2 CFR 200.305(b) (5) and 2 CFR 200.307(e). Any program income found remaining at the end of period of performance must be returned to the ETA. In addition, recipients must report program income on the quarterly financial report using ETA-9130 form.

l. Publicity

No funds provided under this grant shall be used for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, radio, television or film presentation designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself. Nor shall grant funds be used to pay the salary or expenses of any recipient or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive Order proposed or pending before the Congress, or any state government, state legislature, or local legislative body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a state, local, or tribal government in policymaking and administrative processes within the executive branch of that government.

m. Recipient Integrity and Performance Matters

1. If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the award recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information

System (FAPIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings about which you must report. Submit the information required about each proceeding that:
 - a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from either the Federal Government;
 - b. Reached its final disposition during the most recent 5-year period; and
 - c. Is one of the following:
 - I. A criminal proceeding that resulted in a conviction, as defined in paragraph 5. of this award term
 - II. A civil proceeding that resulted in a finding of fault and liability and paying a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - III. An administrative proceeding, as defined in paragraph 5. of this award term, that resulted in a finding of fault and liability and your payment of either monetary fine or penalty of \$5,000 or more or a reimbursement, restitution, or damages in excess of \$100,000; or
 - IV. Any other criminal, civil, or administrative proceeding if:
 - (A) It could have led to an outcome described in paragraph 2.c.I, II, or III of this award term;
 - (B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (C) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.
3. Reporting procedures. Enter in SAM Entity Management area (formerly CCR), or any successor system, the FAPIS information that SAM requires about each proceeding described in paragraph 2. of this award term. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM (formerly CCR) because you were required to do so under Federal procurement contracts that you were awarded.
4. Reporting frequency. During any period of time when you are subject to the requirement in paragraph 1. of this award term, you must report FAPIS information through SAM no less frequently than semiannually following your initial report of any proceedings for the most recent 5-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report.
5. Definitions. For purposes of this award term:
 - a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level. It does not include audits, site visits, corrective plans, or

inspection of deliverables.

- b. Conviction, for purposes of this award term, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.
- c. Total value of currently active grants, cooperative agreements, and procurement contracts includes —
 - I. Only the Federal share of the funding under any award with a recipient cost share or match; and
 - II. The value of all options, even if not yet exercised.

n. Reports

All ETA recipients are required to submit quarterly financial and narrative progress reports for each grant award, no later than 45 days after the end of each calendar year quarter:

1. Quarterly Financial Reports.

All ETA recipients are required to report quarterly financial data on the ETA-9130 Form. ETA-9130 reports are due no later than 45 calendar days after the end of each specified reporting quarter. Reporting quarter end dates are March 31, June 30, September 30, and December 31. A final financial report must be submitted no later than 90 calendar days after the grant period of performance ends. A closeout report will be submitted during the closeout process. For additional guidance on ETA's financial reporting, reference Training and Employment Guidance Letter (TEGL) 02-16 and https://www.doleta.gov/grants/pdf/ETA-9130_Financial_Reporting_Resources.pdf

The instructions for accessing both the on-line financial reporting system and the HHS Payment Management System can be found in the transmittal memo accompanying this Notice of Award.

2. Quarterly Performance Reports.

A. Participant Individual Record Layout (PIRL) – Recipients must report the characteristics, services received, and outcomes of participants served with WIOA funds. Performance accountability for DWG generally aligns with WIOA title I programs and WIOA sec. 116(b)(2)(A). The quarterly PIRL submission is the means for calculating individual participant performance outcomes as well as performance for the DWG program. The DOL-only PIRL (ETA 9172) was approved on June 30, 2016 (OMB Control No. 1205-0521). DWG grantees must submit an individual record file quarterly on all participants and exiters. The individual record layout may be found at the following web site: https://doleta.gov/performance/pfdocs/ETA-9172_DOL%20PIRL_FINAL_V25_062816.pdf

B. Workforce Integrated Performance System (WIPS) – Information on how to report are available on the WIPS Resource Page: <https://doleta.gov/performance/wips/>. All relevant data elements on the individual record layout must be completed. Note that in order to ensure that each DWG participant is appropriately recorded and tracked to a DWG project, the project's grant number must be captured in PIRL element 2003 "DWG Grant

Number.” *NHE PIRL Special Instructions*

In order to ensure that each participant is appropriately recorded and tracked, the ETA-assigned grant number must be captured in PIRL data element 105. The full grant number may contain 13 or 14 alpha-numeric characters. The required entry for PIRL data element 105 is the first seven alphanumeric digits of the grant number (without dashes). The ETA assigned grant number may be found in the grant award documentation.

- C. WIOA Joint Narrative Template – Quarterly project narrative reports are required using the WIOA Joint Narrative template (OMB Control No. 1205-0448). This report is an opportunity for grantees to share information on project success stories, upcoming grant activities, and promising approaches and processes. The final quarterly report must summarize the successes and/or challenges in delivering services to the target population, as well as address the topics of sustainability, replicability, and lessons learned.

3. Project Implementation Plan.

- A. Recipients must adhere to the Project Implementation Plan submission requirements of their respective regional office.

o. Requirements for Conference and Conference Space

Conferences sponsored in whole or in part by the award recipient are allowable if the conference is necessary and reasonable for the successful performance of the Federal Award. Recipients are urged to use discretion and good judgment to ensure that all conference costs charged to the grant are appropriate and allowable. For more information on the requirements and the allowability of costs associated with conferences, refer to 2 CFR 200.432. Recipients will be held accountable to the requirements in 2 CFR 200.432. Therefore, costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

p. Subawards

A *subaward* means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. The recipient is responsible for monitoring the subrecipient, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipient comply with all applicable regulations and the terms and conditions of this award (2 CFR 200.101(b)(1)).

q. Supportive Services & Participant Support Costs

When supportive services are expressly authorized by a program statute, regulation, or FOA, this award waives the prior approval requirement for participant support costs as described in 2 CFR 200.456. Costs must still meet the basic considerations at 2 CFR 200.402 – 200.411. Questions regarding supportive services and participant support costs should be directed to the FPO who is assigned to the grant.

r. System for Award Management

1. Requirement for System of Award Management (SAM)

Unless you are exempt from this requirement under 2 CFR 25.110, you as the award recipient must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

2. Requirement for unique entity identifier

If you are authorized to make subawards under this award, you:

- i. Must notify potential subrecipients that no entity (see definition in paragraph [3] of this award term) may receive a subaward from you unless the entity has provided its unique entity identifier to you.
- ii. May not make a subaward to an entity unless the entity has provided its unique entity identifier to you.

3. Definitions

For purposes of this award term:

- i. System of Award Management (SAM) is the Federal repository where award recipients register to do business with the U.S. government. Additional information about registration procedures may be found at the SAM Internet site (currently at <http://www.sam.gov>).
- ii. Unique entity identifier means the code that is unique to a registered entity in order to complete its registration on SAM. \iii. Entity, as it is used in this award term, means all of the following, as defined at 2 CFR part 25, subpart C:
 - a. A Governmental organization, which is a State, local government, or Indian Tribe;
 - b. A foreign public entity;
 - c. A domestic or foreign nonprofit organization;
 - d. A domestic or foreign for-profit organization; and
 - e. A Federal agency, but only as a subrecipient under an award or subaward to a non-Federal entity.
- iii. Subaward:
 - a. This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient.
 - b. The term does not include your procurement of property and services needed to carry out the project or program (for further explanation, see 2 CFR 200.330).
 - c. A subaward may be provided through any legal agreement, including an agreement that you consider a contract.
- v. Subrecipient means an entity that:
 - a. Receives a subaward from you under this award; and
 - b. Is accountable to you for the use of the Federal funds provided by the subaward.

s. Vendor/Contractor

The term “contractor”, sometimes referred to as a vendor, is a dealer, distributor, merchant or other seller providing goods or services that are required to implement a Federal program. (2 CFR 200.23) These goods or services may be for an organization's own use or for the use of the beneficiaries of the Federal program. Additional guidance on distinguishing between a subrecipient and a contractor (vendor) is provided in 2 CFR 200.330. When procuring contractors for goods and services, DOL ETA recipients and subrecipients must follow the procurement requirements 2 CFR 200.319, which calls for free and open competition.

14. Program Requirements

[Training and Employment Guidance Letter \(TEGL\) WIOA No. 2-15](#) contains the program requirements for this award.

1. Coordination with Federal Agencies

Federal Emergency Management Agency (FEMA) - In accordance with WIOA Section 170 (d)(1)(A), funds made available for Disaster NDWGs “shall be used in coordination with the Federal Emergency Management Agency, as applicable,” in order to ensure non-duplication and maintenance of effort. Recipients of NDWG funding must coordinate the activities funded under this grant with those funded by and/or performed under the auspices of FEMA if FEMA has issued an appropriate declaration.

Other Federal Agencies –If another federal agency (outside of FEMA) with authority or jurisdiction over the federal response declares or otherwise recognizes an emergency or disaster that meets the definition at WIOA 170(A)(1)(B), NDWG funds made available for that disaster must be used in coordination with that agency, as applicable in order to ensure non-duplication and maintenance of effort.

The grantee must have in place a plan to recover WIOA funds which have been expended for activities or services for which other funds are available. This includes, but is not limited to: FEMA, other federal agencies, public or private insurance, donated time and construction workers employed by private for profit firms where resources are available to provide for such employment.

If additional areas are declared eligible for assistance by FEMA or another Federal agency as allowable under WIOA, you may immediately begin to provide services under this grant in those counties. However, the direct recipient must notify its Federal Project Officer in writing of the inclusion of any additional areas that have been appropriately approved by the federal agencies, and include such locations in the full application. For more information on the full application, please see the Condition of Award page included in this grant package.

2. Eligibility

Self-certification – The participant file must document participants’ eligibility. Because of the circumstances surrounding the disaster, documentation of eligibility may be difficult to obtain during the initial stages. The Department is prepared to accept an individual's signed certification that they meet the eligibility criteria. The Grantee should have a system in place to verify eligibility for individuals once better data are available. If the Grantee has such a system in place, and if a participant is later found

to be ineligible, the costs incurred prior to the discovery of ineligibility will not be disallowed.

Limitations on Duration of Participation -- Temporary jobs created under this grant shall be in public or private non-profit agencies. No individual shall be employed in Disaster Relief Employment for more than 12 months related to recovery from a single emergency or disaster, pursuant to WIOA Sec. 170(d)(3)(A). The Department will consider requests from a State to extend employment related to the recovery from this disaster involving the State, for up to an additional 12 months in accordance with WIOA Sec. 170(d)(3)(B).

3. Participant Compensation

Rate of Pay – In accordance with WIOA Section 181(a)(1)(A), generally, participants shall be compensated at the same rates, including periodic increases, as employees who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills, and such rates shall be in accordance with applicable law, but in no event less than the higher of the rate specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) or the applicable State or local minimum wage law.

Overtime - Participants may work overtime (subject to regulations of the Fair Labor Standards Act with respect to level of compensation), provided that this is part of the design of the project and regular employees of the employer in question are also working overtime, subject to the limit on duration of participation for workers under this project.

4. Employment Conditions

Benefits and Working Conditions - All participants shall be provided benefits and working conditions at the same level and to the same extent as other employees working a similar length of time and doing the same type of work (WIOA Sec. 181(b)(5)). (Please see item 10f, Restrictions on Health Coverage). If the employer has different policies for temporary employees than for full-time employees, these policies may apply to these participants since the jobs under this grant are classified as temporary.

Health and Safety Standards - Health and safety standards established under Federal and State law otherwise applicable to working conditions of employees shall be equally applicable to working conditions of participants engaged in specified activities. To the extent that a State workers' compensation law applies, workers' compensation shall be provided to participants on the same basis as the compensation is provided to other individuals in the State in similar employment (WIOA 181(b)(4)). Where a participant is not covered under a state workers' compensation law, the participant shall be provided with adequate on-site medical and accident insurance for work-related activities.

Safety Training - In order to ensure compliance with the Occupational Safety and Health Act of 1970 and to assure safe working conditions for all temporary job

participants, the Grantee must ensure that temporary job participants receive appropriate safety training. For more information, contact your servicing Occupational Safety and Health Administration (OSHA) field office. A listing of OSHA field offices is available at: <http://www.osha.gov/html/RAmap.html>.

5. Work on Private Property

Work on private property is limited to the following two circumstances:

- a. Clean-up activities on private property may be performed by NDWG Disaster participants if workers from units of general local government are also (a) authorized to conduct such work and (b) are performing such work.
- b. As determined by the extenuating circumstances of the disaster for which Title I funds are being provided, repair and restoration activities are authorized on the private property of economically disadvantaged individuals, under the following specific conditions. In order to be authorized, all of the following conditions must be met:
 - i. Work can only be performed on the homes of economically disadvantaged individuals who are eligible for the federally-funded Weatherization program; and
 - ii. Work may be performed on private land or homes of such individuals if the non- WIOA employees of the employing unit or state or local government workers are authorized to do the same work and are in fact engaged in performing the work using non-WIOA funds; and
 - iii. Work on private land or buildings is performed to remove health and safety hazards to the larger community; and
 - iv. The work is limited to returning a home to a safe and habitable level-- not to make home improvements; and
 - v. Priority is given for service to the elderly and individuals with disabilities; and
 - vi. WIOA funds cannot be used for the cost of materials to do repairs; and
 - vii. Work must be disaster-related and not related to general home improvements authorized under the Federal Weatherization program; and
 - viii. Work is coordinated with or supervised by the local agency responsible for the Federal Weatherization program.

6. Fish and Wildlife Service (FWS)

In order to ensure compliance with the National Environmental Policy Act (NEPA) and the Endangered Species Act (ESA) and to protect valuable habitats and endangered species, all disaster projects where participants will be entering or impacting natural areas must ensure that activities are not negatively affecting endangered species or their habitats. NEPA and ESA require NDWG projects to either affirm to FWS that there are no endangered species or habitats within the project area, or to consult with FWS to mitigate negative impacts where there are endangered species or protected habitats before beginning any work in those areas. For more information, contact a local FWS field office (www.fws.gov/offices/).

7. Notice about Disability and Medical Information Protections for Opioid-Crisis Disaster Recovery DWG Participants.

ETA intends opioid-crisis Disaster Recovery DWGs to help reintegrate individuals with a history of opioid use into the workforce. Accordingly, grant recipients should be aware of requirements pertaining to the gathering and confidentiality of medical information and their obligations under Department civil rights regulations pertaining to protections for individuals with disabilities.

a. Inquiring about how an individual has been impacted by the opioid crisis

Grantees may only ask the following question to determine that an applicant or eligible participant has been impacted by the opioid crisis: Your answer to this question is voluntary. Do you, a friend, or any member of your family have a history of opioid use? Please answer “Yes” or “No.”

b. Confidentiality of medical information

Under applicable law, grant recipients must maintain the confidentiality of medical information obtained about an individual. Medical information must be kept confidential even if the individual volunteers the medical information without being asked. Information regarding an individual’s disability is included in information that must be kept confidential, but any medical information obtained must be kept confidential (whether or not the individual has a disability).

Example 1: An applicant may disclose that she previously has taken opioids legally with a prescription from her doctor (which is medical information, but may or may not be disability-related). The grant recipient must keep that information in a separate file and limit which staff have access to that information, under 29 C.F.R. 38.41(b)(3) (which explains how to keep such information separately and who may have access to it).

Example 2: An individual may self-disclose that he has diabetes (which is both medical information and disability-related information). The grant recipient must keep that information in a separate file and limit which staff have access to that information, under 29 C.F.R. 38.41(b)(3) (which explains how to keep such information separately and who may have access to it).

c. Drug use and protections for individuals with disabilities

When making program decisions about individuals, grant recipients should remember that disability is among the statuses protected from discrimination for participants in and applicants for programs supported by opioid-crisis Disaster Recovery DWGs. Services provided under these grants must comply with 29 C.F.R. 38.5, which sets out antidiscrimination protections for WIOA title I programs. For example, grant recipients will have to make reasonable accommodations for individuals with disabilities,

according to 29 C.F.R. 38.14, and they cannot treat a participant or applicant for services less favorably on the basis of the individual’s disability, according to 29 C.F.R. 38.12.

Due to the nature of these DWGs, some participants or applicants for participation will be individuals with disabilities based on their drug history and some will not. Disability status, and how it may affect the provision of services under a WIOA grant, is a case-by-case determination, and given the many causes and complicating factors surrounding the opioid crisis, the circumstances of an individual’s history with opioids could differ significantly.

Disability status for drug addiction usually depends on whether the individual is currently engaging in the illegal use of drugs, including the illegal use of some prescription drugs. A recovering addict not currently using drugs illegally may be legally protected as an individual with a disability. The question of “current use” of illegal drugs is made on a case-by-case basis. “Current” means that the illegal drug use occurred “recently enough” to justify the grant recipient’s reasonable belief that drug use is an ongoing problem. Grant recipients may treat an individual less favorably because of current illegal use of drugs but may not make adverse decisions on the basis of an individual’s disability (even if he or she is currently engaged in the illegal use of drugs).

A potential or enrolled participant in a Disaster Recovery DWG also may have another disability—separate from his or her drug history—that entitles him or her to legal protections.

Example 1: A grant recipient discovers that a blind participant who uses a service dog is currently engaging in the illegal use of opioids. The grant recipient may terminate the individual’s participation in the program because of the current illegal use of drugs, but the grant recipient may not prohibit the individual from using his service dog because he is illegally using drugs.

Example 2: An individual is a recovering addict who is addicted to (but not currently using) opioids. The grant recipient must reasonably accommodate this disability by, for example, changing the program activity schedule to allow the participant to attend a Narcotics Anonymous meeting during the program day. However, if the grant recipient discovers that the individual has resumed using illegal drugs, the grant recipient may terminate the individual’s participation on the basis of that current illegal drug use.

15. Fiscal Year 2018 Federal Appropriations Requirements

a. Buy American Notice

Pursuant to P.L. 115-141, Division E, Title VI, Section 606 and 607, by drawing down funds, the recipient agrees to comply with sections 8301 through 8303 of title 41, United States Code (commonly known as the “Buy American Act”). Additionally, no funds may be made available to

any person or entity that has been convicted of violating the Buy American Act.

For the purposes of this award, the Buy American Act requires the recipient to use, with limited exceptions, only 1) unmanufactured items that have been mined or produced in the United States; and 2) manufactured items that have been manufactured in the United States substantially all from articles, materials, or supplies that were mined, produced, or manufactured in the United States.

These exceptions do not apply to 1) items for use outside of the United States, 2) items that are not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities and are not of a satisfactory quality; and 3) manufactured items procured under any contract with an award value that is less than the micro-purchase threshold (currently \$3,500). In order to claim an exception under options 1 or 2, the recipient must get prior approval from the Grant Officer. Prior approval is not needed for purchases under the micro-purchase threshold.

b. Fair Labor Standards Act Amendment for Major Disasters

Pursuant to P.L. 115-141, Division H, Title I, Section 109, additional language will be applied to the Fair Labor Standards Act of 1938 in the “Maximum Hours Worked” section. This language specifically relates to occurrences of a major disaster (as designated by the State or Federal government) and are applied for a period of two years afterwards. The language is as follows:

“(s)(1) The provisions of this section [maximum hours worked] shall not apply for a period of 2 years after the occurrence of a major disaster to any employee—

“(A) employed to adjust or evaluate claims resulting from or relating to such major disaster, by an employer not engaged, directly or through an affiliate, in underwriting, selling, or marketing property, casualty, or liability insurance policies or contracts;

“(B) who receives from such employer on average weekly compensation of not less than \$591.00 per week or any minimum weekly amount established by the Secretary, whichever is greater, for the number of weeks such employee is engaged in any of the activities described in subparagraph (C); and “(C) whose duties include any of the following:

“(i) interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians; “(ii) inspecting property damage or reviewing factual information to prepare damage estimates;

“(iii) evaluating and making recommendations regarding coverage or compensability of claims or determining liability or value aspects of claims;

“(iv) negotiating settlements; or

“(v) making recommendations regarding litigation.

“(2) The exemption in this subsection shall not affect the exemption provided by section 13(a)(1).

“(3) For purposes of this subsection—

“(A) the term ‘major disaster’ means any disaster or catastrophe declared or designated by any State or Federal agency or department;

“(B) the term ‘employee employed to adjust or evaluate claims resulting from or relating to such major disaster’ means an individual who timely secured or secures a license required by applicable law to engage in and perform the activities described in clauses (i) through (v) of paragraph (1)(C) relating to a major disaster, and is employed by an employer that maintains worker compensation insurance coverage or protection

for its employees, if required by applicable law, and withholds applicable Federal, State, and local income and payroll taxes from the wages, salaries and any benefits of such employees; and

“(C) the term ‘affiliate’ means a company that, by reason of ownership or control of 25 percent or more of the outstanding shares of any class of voting securities of one or more companies, directly or indirectly, controls, is controlled by, or is under common control with, another company.”.

c. Health Benefits Coverage for Contraceptives

Pursuant to P.L. 115-141, Division E, Title VII, Section 726, Federal funds may not be used to enter into or renew a contract which includes a provision for drug coverage unless the contract includes a provision for contraceptive coverage. Exemptions to this requirement apply to contracts with 1) the religious plans of Personal Care’s HMO and OSF HealthPlans, Inc. and 2) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs.

In implementing this section, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individuals’ religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion related services.

d. Privacy Act
