**Workforce Southwest Washington and High-Tech Council  
seek to fill more than 70 manufacturing jobs at October 13 hiring event**

**Vancouver, Wash. (Oct. 7, 2022)** — Workforce Southwest Washington (WSW) and the High-Tech Council are hosting a manufacturing hiring event on October 13, 2022, from 2 p.m. to 5 p.m. to fill more than 70 jobs with local manufacturing companies.

The event will be held at the Columbia Tech Center campus of Clark College at 18700 SE Mill Plain Blvd., Vancouver, WA, 98684. The event and parking are free to job seekers.

At the event, job seekers can learn about the companies and open positions, complete pre-screenings with employers and schedule interviews. Positions are in various departments within each organization and many companies will provide training on the job, so experience is not required for all positions.

Participating companies include

- Analog Devices
- Columbia Machine
- ControlTek
- Kyocera
- nLIGHT
- Shin Etsu (SEH America)
- Silicon Forest Electronics
- Thompson Metal Fab
- WaferTech and more

Positions available include, but are not limited to:

- Machine Technicians
- Shipping Clerk
- Visual Inspectors
- Maintenance Specialists
- Electronics Assembler
- Buyer
- Equipment Technician
- Production Specialist

To learn more about the event or workforce services for businesses, email questions to [ajoyner@workforcesw.org](mailto:ajoyner@workforcesw.org).
