

**Request for Qualifications
PY17: July 1, 2018 – June 30, 2019**

**Consulting Services for
Workforce Southwest Washington**

Workforce Southwest Washington (WSW) is seeking qualified contractors to provide a variety of consulting services. WSW will select contractors for future projects from among qualified respondents to this Request for Qualifications (RFQ).

Contractors will be selected for future projects based on the competitive qualifications, experience and hourly rate quoted in proposals responding to this RFQ. One or more qualified contractors may be asked to provide further details and price information based on the needs of specific projects.

About WSW

WSW is a federally funded local workforce development board that serves three counties in Southwest Washington: Clark, Cowlitz and Wahkiakum. It administers the federal Workforce Innovation and Opportunity Act (WIOA) for those counties and is a private nonprofit organization. The role of the organization is to promote a healthy, sustainable economy by providing leadership and resources to develop a skilled and adaptive workforce, based on the evolving needs of business and communities.

WSW is an equal opportunity employer and provider of employment and training services. Auxiliary aids and services are available upon request to persons with disabilities.

Proposals received by the end of each calendar month will be considered for all related projects that are contracted during the following month and continuing **through June 30, 2019**. It is not necessary to resubmit qualifications during that time unless your qualifications substantially change. In that case, a new response may be submitted following the same format and requirements.

If you have previously submitted your qualifications, you may simply update the prior submission. **If an update is not submitted, the WSW will assume that you no longer wish to be considered for future contracts.**

WSW will maintain a file of qualified bidders and will consider experience, price and references when selecting contractors when specific projects arise.

ANOTHER NOTE: Hourly rates are being requested so WSW can compare costs between contractors. As specific projects arise, contractors may be requested to prepare an overall price for a project and will be expected to perform based upon the project price.

PLEASE DO NOT SUBMIT résumés, brochures, sample projects or other materials that have not been requested above. Further information may be requested as specific projects arise.
