DATE: JULY 1, 2022 **REVISION DATE:** APRIL 11, 2023
TO: CAREER NDWG SERVICE PROVIDERS
FROM: TAMARA TOLES, WSW QUALITY & COMPLIANCE MANAGER
RE: CAREER NATIONAL DISLOCATED WORKER GRANT (NDWG)

Career NDWG is an initiative to serve dislocated workers from population(s) most disproportionately affected by COVID-19 job loss who need childcare assistance so they may participate in training, earn credentials, and build skills for a new career. This initiative connects participants to pre-approved childcare services that make possible people's successful return to the workforce, particularly women, people of color, and the rural poor in Southwest Washington by providing subsidized childcare services that enable full participation in training and job search processes. The measured results are successful employment placement with family sustaining wages. In the service area of Clark, Cowlitz and Wahkiakum Counties, the program is also known as "Childcare Navigator."

This funding awarded to WSI by way of the Columbia Willamette Workforce Collaborative specifically supports the provision of training and identification of and payment for childcare and are funded by Workforce Innovation and Opportunity Act (WIOA). The duration of Career NDWG funding is July 1, 2022 through June 30, 2023. [WSW Supportive Services Policy #3005 rev 8](#) requirements must be met unless stipulated as an exception within the grant and outlined below.
